

Take advantage
of the potential
of Mexico,
because...

- With a young population of 120 million people and a gross domestic product per capita of 10,000 USD, Mexico is becoming more and more attractive for foreign investment;
- With a GDP of 1,200 billion USD, Mexico has the second largest economy in Latin America;
- Mexico is the 15th largest economy in the world and the 9th biggest exporting country;
- The most important export partners of Mexico are the USA, Canada and Germany;
- The most important import partners of Mexico are the USA, China, Japan and Germany;
- Mexico is the US' third-largest trading partner; and they are partners in the North American Free Trade Agreement, NAFTA;
- More than 1,835 companies with U.S. investment have operations in Mexico;
- The legal framework conditions for foreign investment have constantly been improved and simplified in the last years.

Company profile

In 2007, Thomas Wagner and Anabel Muñoz founded the company Wagner Muñoz & Partners, which serves as tax consultant and accountant office until today. The objective is and has been to help international companies with the constitution and administration of their foreign subsidiary in Mexico and support them in all fiscal, financial and administrative questions. Due to a high demand for consulting services in Mexico the company group WMP Mexico Advisors was established in 2012. The companies WMP Tax & Accounting (formerly: Wagner Muñoz & Partners), WMP Consulting Services and WMP Legal unite under this Brand.

Why cooperate with WMP Mexico Advisors?

- Over 100 professionals specialized in tax consultancy, accounting, business consulting and legal advisory with the focus on international medium-sized companies
- Focus exclusively on Mexico
- Profound knowledge about the Mexican market, its chances and risks

- Certified, Mexican specialists in accounting and tax issues
- Ensuring the compliance with local laws and regulations
- Lead by an international team of partners, each one with over 15 years of professional experience in Mexico
- Wide network of contacts in economy and politics
- Bilingual key account manager as contact persons in the daily business
- Offices in Querétaro, Mexico City, Puebla, Greenville, S.C. USA and Stuttgart, Germany – additional offices are being planned
- More than 200 satisfied customers from different countries and industries
- Our values: honesty, accuracy, confidentiality, punctuality
